

Seboradin Revitalizing Mask

RECOMMENDATIONS:

Hair damaged by dyeing, styling, straightening, drying and UV radiation. Dry, weak and lifeless hair. For women and men.

ACTIVE INGREDIENTS:

The product ensures effective regeneration, as well as deep and long moisturizing effects. It strengthens and revitalizes your hair. It maintains proper level of moisture in the hydro-lipid layer of the scalp. It contains a protein complex, jojoba oil, castor oil and a nanotechnological vitamin complex (provitamin B5, vitamin E, F, PP, H - biotin, Zn, proteins and amino acids). The mask contains natural antioxidants derived from the sea algae called Laminaria Digitata. It protects your hair against UV radiation and split ends. It prevents static in the hair and facilitates easy combing. Your hair is regenerated, nourished, moisturized, shiny, soft and resistant to damage.

HOW TO USE:

Apply the mask on hair previously washed with carefully selected SEBORADIN shampoo, spread it and massage it thoroughly into the scalp and hair. Leave it for around 5 minutes, rinse copiously with warm water. Use 2 - 3 times a week. You can use it in the form of a compress, or in a sauna. It does not weigh down the hair. It is recommended to use it with other carefully selected SEBORADIN products.

Volume - 150 ml
