

# Seboradin Revitalizing Shampoo

## **RECOMMENDATIONS:**

Dry hair, damaged by dyeing, styling and straightening as well as drying. For women and men.

## **ACTIVE INGREDIENTS:**

It contains ginseng extract, which stimulates hair regrowth, nourishes it, energizes and oxygenates the scalp and hair. Black radish extract provides essential nutrients, which strengthen the hair. Provitamin B5 (Panthenol) moisturizes as well as lends smoothness and shine to the hair. The product contains natural antioxidants present in herbal extracts. Hair is regenerated, nourished and moisturized.

## **HOW TO USE:**

Apply the shampoo on wet hair, spread it and massage it into the scalp and hair. Rinse, repeat the action. For daily use. It is recommended to use it with other carefully selected SEBORADIN products. The characteristic smell of the product comes from the natural and active extracts.

Volume - 200 ml
