

Seboradin Sensitive Shampoo

RECOMMENDATIONS:

Soft, thin hair, sensitive scalp, prone to atopy and irritation. For women and men.

ACTIVE INGREDIENTS:

This balm contains a natural emollient that conditions and smooths hair, facilitates combing and prevents frizzy hair. Black musale extract accelerates damaged skin regeneration and helps maintain its appropriate hydration. Shea butter soothes irritation, reduced skin redness, tones, moisturises and regenerates damaged hair and scalp. The oat component soothes the scalp, reduces redness and relieves itching, protects against UV radiation, strengthens hair and prevents brittleness.

Regular use of Seboradin Sensitive shampoo and balm improves sensitive skin condition, soothes, reduces susceptibility to irritation, eliminates itchiness, nourishes and moisturises hair. This product is recommended for skin intolerance to SLS/SLES. It does not contain: SLS, SLES, parabens, silicones, allergens, salts, artificial colourants.

Efficacy confirmed by an independent, specialist research laboratory – a self-evaluation test was conducted under dermatological control.

*Tested on a group of 50 people.

HOW TO USE:

Apply the balm on the hair washed with SEBORADIN SENSITIVE shampoo, spread and massage it into the hair. Rinse off after 3-5 minutes. For daily use. It does not weigh down the hair. It is recommended to use with other carefully selected SEBORADIN products.

Volume - 200 ml
