

Shampoo & Bath Gel 2in1 Refill 500 ml

RECOMMENDATIONS: Everyday body and hair care. For children and adults with very sensitive, dry and atopic skin. The product ensures appropriate care for skin with dermatological problems. From the very first days of life.

PROPERTIES AND EFFECT: This gentle product contains mild ingredients that provide care and cleanse the hair and scalp. The cosmetic creates a protective layer that prevents drying of the skin. The shampoo and body wash gel contains glycerin, D-panthenol and cotton oil that exhibits softening, conditioning, and soothes irritations and has a slightly replenishing effect. The scalp and hair are appropriately moisturised, the hair is easy to comb, soft and not frizzy. The product is fragrance free, hypoallergenic and tear free.*

This product is recommended for skin that is intolerant to SLS/SLES.

*The product has been ophthalmologically (eye tolerance) and dermatologically tested.

HOW TO USE: Apply a small amount of the product to wet hands, gently spread on wet body and hair, lightly rub into hair and skin. Rinse thoroughly with lukewarm water. For daily use.
